Members and it would not add to the dignity of this House for one Hon'ble Member to make any personal references regarding any other Hon'ble Member. No such personal references should be made in the future.

Sri T. MARIAPPA (Mysore City-North).—Sir, this point whether one Member representing a particular constituency can participate in a debate relating to affairs of another constituency has been raised and it requires a ruling.

Mr. SPEAKER.—Let us not make a big issue of these small things. It is hardly in keeping with the dignity of this House to carry on personal quarrels on the floor of this House. Probably, while refuting allegations, he might have referred to certain points. To take one side of the issue and go on arguing it, is hardly fair.

Regarding the point raised by Sri Mariappa, it appears to me that it does not require any ruling. Any Hon'ble Member of this House can refer to matters pertaining to the whole State on appropriate occasions. It does not require any ruling.

Sri J. MOHAMED IMAM (Jagalur).—I am not concerned with this issue. You were pleased to say that no personal references should be made. I do agree that no personal attacks should be made. But very often we allude to certain Ministers, and say that the Minister for L.S.G. did so and so in the course of his official duties. Strictly speaking, it may be taken as a personal reference.

Mr. SPEAKER.—Recrimination, I said.

Sri J. MOHAMED IMAM.—It depends upon how we take it. It may be said the Local Self-Government Minister was responsible in changing the site from one place to another. It may be taken as personal reference or as reference to the Minister as such. When we make reference to them in their capacity of Ministers, then it cannot be taken as personal reference.

Sri K. HANUMANTHAIYA.—Whether there has been personal reference in a particular case, it is left to the discretion of the Speaker to determine. There is no question of our arguing over the matter.

BUSINESS OF THE HOUSE.

Sri Mulka GOVINDA REDDY (Chitaldrug).—Yesterday, you promised to take up Q. No. 275 tabled for 14th October.

Mr. SPEAKER.—I understand the Hon'ble Minister in charge of this question has to answer some interpellations in the other House. I shall take up the question tomorrow.

Sri M. PALANIYAPPAN (Ulsoor).—We are going to sit for only one more day according to our programme and only two of my questions have been answered hitherto. I want to know whether the rest of the questions will be answered and published in the Proceedings.

Further, Sir, there is one more thing. There is a strong rumour in the State that our Rajpramukh is going to take leave for two months and that Sri C. Rajagopalachari is going to be appointed as Governor. I do not know whether this House is going to be consulted and whether there is any truth in that rumour.

Mr. SPEAKER.—Unless some business concerning this House is placed on the table and a motion is moved, I do not think any outside matter can be discussed on the floor of this House.

We shall now resume discussion on Co-operative Societies (Amendment) Bill.

MYSORE CO-OPERATIVE SOCIETIES (AMENDMENT) BILL, 1954.

Motion to consider (contd.)
